Ericka-

Can you please update the SharePoint site with the correspondence if you have not already.

All the letters re: last year's request to interview Dr. Wing & then OCR sending that to ADR, the Pork Council intervention stuff, email from Marianne requesting reinitiating, OCR letter reinitiating investigation, and all the stuff Earthjustice has sent in recently.

I have attached some of it, but I know I can't find the reinitiating letter & maybe some other things.

Do you have questions for Dr. Wing?

We haven't seen anything but the questions Johana & I are generating.

We should get together tomorrow morning to decide the final list of questions – but we need to know what yours are.

Subject: Supplement to the Record, Administrative Complaint 11R-14-R4

Dear Mary and Ericka,

This email and attachments are intended both to supplement the record in Administrative Complaint 11R-14-R4 filed on behalf of North Carolina Environmental Justice Network (NCEJN), Rural Empowerment Association for Community Help (REACH) and Waterkeeper Alliance against the North Carolina Department of Environment and Natural Resources, now the Department of Environmental Quality (DEQ) and, also, to follow up on the interview conducted by the Office of Civil Rights (OCR) on May 11, 2016 with Dr. Jill Johnston. In addition, Ex. 6 - Personal Privacy and has indicated that he would be willing to schedule an interview with OCR. In order to avoid any confusion about materials previously submitted by complainants related to Dr. Wing's work and expertise, we are attaching Dr. Wing's c.v., the original and updated disparities analyses that he co-authored with Dr. Johnston, Dr. Wing's declaration, and Exhibits 2, 50, 52 and 53 to the complaint, each of which were authored or co-authored by Dr. Wing.

With the goal of moving forward in a timely way, I have touched base with Dr. Wing on his availability and am hoping that one of the following times might be convenient for you:

Wednesday, June 15, any time between 9 and noon
Thursday, June 16, from 3-5

In follow up to Dr. Johnston's interview and to supplement the record, attached please find the final published version of Guidry, et al., "Hydrogen Sulfide Concentrations at Three Middle Schools Near Industrial Livestock Facilities," published in the Journal of Exposure Science and Environmental Epidemiology (2016), as well as a paper discussed by Dr. Johnston during the interview, Johnston, et al., "Wastewater Disposal Wells, Fracking, and Environmental Injustice in Southern Texas, published in the American Journal of Public Health (2016) (analyzing racial composition of residents living less than 5 kilometers from disposal wells using a similar approach to the disparities analysis conducted by Drs. Wing and Johnston and submitted by complainants in this case).

We will send additional material in follow up to the interview by separate cover. In addition, we understand that you had hoped to send Dr. Johnston a list of paragraphs in the complaint that she might review to determine whether the characterizations in the complaint are consistent with the findings of the disparities analyses. We await this follow up as well.

Please let me know if this email raises any question. I look forward to hearing back from you regarding a date and time for an interview with Dr. Wing. We can then also discuss the timing for any additional follow up interview with Dr. Johnston.

Thanks again,

Marianne

Subject: Record Supplement, 11R-14-R4

Dear Ms. Golightly-Howell and Ms. Dorka,

On behalf of North Carolina Environmental Justice Network, Rural Empowerment Association for Community Help and Waterkeeper Alliance, Earthjustice is submitting the attached documents to supplement the record in our September 3, 2014 complaint against the North Carolina Department of Environment and Natural Resources (now North Carolina Department of Environmental Quality), EPA File Number 11R-14-R4.

Please do not hesitate to contact me if you have any question.

I have spoken with Ms. Dorka recently about setting a time for the Office of Civil Rights to interview Dr. Steve Wing, whose report and declaration are included in this supplement. We have renewed this request multiple times over the last year. In order to move the process forward quickly, Ms. Dorka and I talked within the last two weeks about the possibility that I might offer some dates on which Dr. Wing might be available.

Ex. 6 - Personal Privacy

I am cc'ing both Elizabeth Haddix from the UNC School of Law, Center for Civil Rights, and my colleague Alexis Andiman, who are both also representing complainants in this matter.

We will send a courtesy copy of this supplement in hard copy form.
